

**FIO at Keys Marine Laboratory**  
**2023 Seawater Systems Rates**  
*Effective January 1, 2023*

Year-round temperature-controlled 25°C-27°C  
 Submit detailed **Seawater Use Request Form (SURF)**  
 See [2023 Rate Calculator](#) for tank dimensions

See **2023 Facilities Rates: Dorm Use** or **Day Access** fees additional  
**FIO/KML Administrative Fee** (15% of total): Administrative support, scheduling, invoice/billing, etc.

Capacity	# Available	Daily Rate	Monthly Rate
<b>Well System #1 West</b>			
40-gal (set of 3/table)	4	\$15	\$360
60-gal (6' long) in Lab 2	2		
130-gal (6' long)	4		
135-gal (6' long)	5		
240-gal (12' long)	6	\$17	\$408
475-gal (6' diam)	2	\$21	\$504
750-gal (8' diam)	2	\$42	\$1,008
<b>NSF SW System</b>			
240-gal (8' long)	19	\$17	\$408
70-gal (3'x4')	2*	\$15	\$360
<b>FWC Coral Tank Farm (No cost with prior review &amp; approval for FWC Coral Rescue projects)</b>			
240-gal (8' long)	12	\$17	\$408
70-gal (3'x4')	8*	\$15	\$360
*two 70-gal tables replace one 220-gal table			
<b>Well System #2 East (old bay system &amp; new NSF) <span style="color: red;">Temporarily unavailable.</span></b>			
wet tables 60-gal (6')	6	\$15	\$360
wet tables 70-gal (3'x4')	8		
wet tables 75-gal (4')	6		
wet tables 125-gal (8')	1		
oval stock tanks 150-gal	4		
wet tables 160-gal (12')	4		
wet tables 240-gal (8')	18	\$17	\$408
wet tables 240-gal (12')	6		
round tanks 475-gal	2	\$21	\$504
round tanks 750-gal	2	\$42	\$1,008
round tanks 1000-gal**	1		
Mesocosm (Shallows) 150,000-gal	1	\$50	\$1200
1-gal acrylic flo-thru tanks	All 10	\$10	\$240
8-gal acrylic flo-thru tanks	All 8		
12-gal acrylic flo-thru tanks	All 6		
12-gal isolated acrylic tanks	2 sets of 6		

NOTE: Please discuss availability with KML staff.

## FIO at Keys Marine Laboratory

### 2023 Seawater Systems Rates

Effective January 1, 2023

**Reverse Osmosis (RO; aquaculture grade) & Deionized DI water** (lab grade) available by request  
\$0.50/gal for quantities exceeding 5-gal/day

**Ancillary KML Equipment Available:** Please discuss with KML staff

• In-tank chillers	2	\$10/week	\$32/month
• In-tank titanium heaters 500W	8	\$5/week	\$16/month
• In-tank power heads (tank circulation)	10	\$5/week	\$16/month
• In-tank protein skimmers	6	\$20/week	\$128/month

**By prior arrangement with KML staff:**

• Temperature manipulation (5-ton heating/cooling)	\$15/day	\$360/month
• Project support, planning, after hours, weekend	\$50/hour	
• Glass/acrylic aquaria - 10-gal to 30-gal	\$2/day	\$30/month
• Wet lab bench space - exclusive use	\$10/week	
• Special project space - with prior approval	\$10/ft <sup>2</sup> /week	project footprint
• pH manipulation – plus direct costs for CO <sub>2</sub> , dosing chemicals, etc.	\$12/day	\$288/month
• Supplemental filtration – direct costs (50µ-0.35µ)	\$30/filter	
• Non-KML Ancillary Electrical Equipment	\$25/week	\$80/month
○ non-KML electrical equipment: freezers, in-tank heaters/chillers, ovens, etc.		

Rates will be reviewed annually & subject to 3%-5% increase at the beginning of the fiscal year
