Welcome to Keys Marine Laboratory

We are dedicated to making your stay a pleasant and productive experience. Talk to KML staff for additional assistance. You will enable us to serve you better by following the guidelines below.

KML Field Lab Etiquette & Expectations

1. Park all personal vehicles in main parking lot outside gates.
2. Close-toed footwear with good tread is strongly suggested for uneven terrain and slippery surfaces encountered around the lab and on vessels
3. Water restrictions in the Keys – be mindful of fresh water usage
4. Minimize your carbon footprint – turn off lights, adjust A/C when not needed
5. Please recycle glass, plastic, tin – located behind dumpster
6. Do not flush paper towels, wipes, or sanitary products down toilets
7. Do not pour chemicals or seawater down drains
8. Be considerate of others' experiments – do not adjust valves, lift tank covers, or touch animals
9. Gates are to be closed and locked after hours for your security
10. Dive float & flag required for all snorkeling activities – ask KML staff
11. No recreational fishing or lobstering from KML property or vessels
 - a. Florida Saltwater Fishing License is required for any recreational fishing off site
12. KML is not open to the public – please make arrangements with us before inviting anyone to visit or stay and we will try to accommodate your request.
13. No smoking or alcoholic beverages within KML compound
14. No pets – no kidding
